Congratulations on your recent IATA CBTA Center Recertification

IATA is delighted to extend its warmest congratulations to your organization for achieving CBTA Center Recertification.

This accomplishment is a testament to your organization's commitment to continuously develop workforce competency and contribute to aviation performance through the delivery of a high quality and effective dangerous goods training program, in accordance with the competency-based training and assessment approach.

With this certification, your organization is well-positioned to continue benefiting from the IATA CBTA Center certification program. This recognition underscores your commitment to maintaining the highest standards in the industry.

Once again, we extend our warmest congratulations to you on this impressive achievement. We have no doubt that your organization will continue to thrive and excel over the next two years. We wish you ongoing success and look forward to witnessing your continued contributions to aviation performance and workforce development.

Yours sincerely,
